YEAR PLANNER 2019-20

From the Heart of Chairman

Dear esteemed parents,

It gives me immense pleasure to apprise you all that my journey of BIGI with you has been very fruitful and meaningful. Any journey is bound to have both struggle and pleasure. But the saga of BIGI has been uniquely lovely since the destiny is the future of children of this great nation.

In this journey students are our goal, moral values are our principles, Dr APJ Abdul Kalam and his vision 2020 is our inspiration; teachers are our force; parents are the fuel. Planner of the school is a forecast of the entire year designed with a schema of curriculum and co curricular activities being allocated throughout the year that aim at balancing the growth of overall/holistic personality development of students.

The school planner for the year 2019-20 has been designed to cater to fulfil the needs of intellect, talents, potential and skills of students. With the band of dedicated teachers and Principals and eminent members in the Management Governing Council we assure that the activities both learning and doing; inside classroom and outside classroom would be carried with the best facilities and with a noble aim of providing ample opportunities and platform to students to discover and exhibit their hidden treasure of talents. With immense hope to make the year 2019-20 academically excellent with better quality education.

Thank you

Rtn. Dr D Muniraju

Founder Chairman, BIGI
